

REPORT OF THE AUDITOR-GENERAL ON CENTRAL BANK OF KENYA FOR THE YEAR ENDED 30 JUNE 2017

REPORT ON THE FINANCIAL STATEMENTS

OPINION

The accompanying financial statements of Central Bank of Kenya set out on pages 14 to 57, which comprise the consolidated statement of financial position as at 30 June 2017, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information have been audited on my behalf by Deloitte and Touche, auditors appointed under Section 23 of the Public Audit Act, 2015 and in accordance with the provisions of Article 229 of the Constitution of Kenya. The auditors have duly reported to me the results of their audit and on the basis of their report, I am satisfied that all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit were obtained.

In my opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Central Bank of Kenya as at 30 June 2017, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and comply with the Central Bank Act, Cap 491 of the Laws of Kenya.

Basis for Opinion

The audit was conducted in accordance with International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the Auditor-General's Responsibilities for the audit of financial statements section of my report. I am independent of the Bank in accordance with the International Ethics Standard Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), together with other ethical requirements that are relevant to the audit of financial statements in Kenya. I have fulfilled my other ethical responsibilities in accordance with these requirements, and IESB Code. I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my opinion.

Other Information

The Directors are responsible for the other information, which comprises the statement of corporate governance, directors' report and the statement of Directors' responsibilities. The other information does not include the financial statements and my auditor's report thereon.

My opinion on the consolidated financial statements does not cover the other information and I do not express any form of assurance or conclusion thereon.

In connection with the audit of the consolidated financial statements, my responsibility is to read the other information and, in doing so, consider whether the

other information is materially inconsistent with the consolidated financial statements or the knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work performed on the other information that was obtained prior to the date of the audit report, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of the Directors and Those Charged With Governance for the Financial Statements

The Directors are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with IFRSs, and for such internal control as Directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the Directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the Directors either intend to liquidate the Bank or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

Auditor-General's Responsibilities for the Audit of the Financial Statements

The audit objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229 of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect material misstatements when they exist. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of audit in accordance with ISAs, the auditor exercises professional judgement and maintains professional scepticism throughout the audit. The auditor also:

- Identifies and assesses the risk of material misstatement of the consolidated financial statements, whether due to fraud or error, designs and performs audit procedures responsive to those risks, and obtains audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting material misstatements resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control;

- obtains an understanding of the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bank's internal control;
- evaluates the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors;
- concludes on the appropriateness of the Directors use of going concern basis of accounting and, based on the audit evidence obtained, concludes whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If the auditor concludes that a material uncertainty exists, the auditor is required to draw attention in the auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify the opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern;
- evaluates the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- obtains sufficient appropriate audit evidence regarding the consolidated financial information of the entity or business activities within the Bank to express an opinion on the consolidated financial statements. The auditor is responsible for the direction, supervision and performance of the audit. I remain responsible for the audit opinion;
- communicates with directors among other matters, the planned scope and timing of the audit and significant audit findings, including any significant audit deficiencies in internal control that are identified during the audit.

FCPA Edward R. O. Ouko, CBS
AUDITOR-GENERAL

Nairobi
